

The map displays the planned county road network for winter maintenance in Lubień Kujawski. A legend in the top right corner identifies three standards of maintenance, each represented by a colored line: yellow for '1 standard utrzymania' (1st standard of maintenance), red for '2 standard utrzymania' (2nd standard of maintenance), and blue for '3 standard utrzymania' (3rd standard of maintenance). The map shows a network of roads, with the central area around Lubień Kujawski marked with a yellow background.
